|          |                  |
|----------|------------------|
| Date     | 11/12/99         |
| Length   | 635mm            |
| Location | Raglan Ck        |
| Fisher   | Andrew McDougall |

This one was originally reported in Suntag News 7 but is being rerun here as Andrew McDougall has provided an excellent photo of the recaptured fish. This fish was retained for biological examination as part of the FRDC funded Mangrove Jack project 1999/122.
