Released	No	

This is the first barramundi tagged in the Rodds Bay area that has been recaptured outside that area.

Tag details		Recapture details
Tag	J74003/A267	
Species	Mangrove Jack ( <i>Lutjanus argentimaculatus</i> )	
Date	22/3/01	24/5/01
Length	380mm FL	410mm LOA
Location	Russell River	Thetford Reef
Fisher	Northern Fisheries	Tom Nevins
Days Out	63	
Growth	not available	
Movement	60km north east offshore from river	
Released	No	

This fish was double tagged as part of a tag shedding experiment and was released when that was completed. While there is only a short time between release and recapture it may not be indicative of the timing of natural movement due to its previous confinement at Walkamin.
