

23 January 2003

Bulletin 74

Something a little different to start off 2003. These fish were all tagged by Adam Marquard of Gladstone and recaptured at least once again by Adam. This is further proof that you can improve your personal fishing experience by releasing fish. All fish were tagged and recaptured at the same location. The Mangrove Jack was double tagged and both tags have been noted on all recaptures.

Tag Details for J84003/J84004 Mangrove Jack

Tagger	Date	Length	Location
Adam Marquard	28/10/00	330	Wild Cattle Ck

Recapture Details

Angler	Date	Days Out	Length	Growth
